Dear Sirs
Enclosed find the $10.00 gold piece dated 1838 I think it aught to bring more than 1.00 premium however I will trust the matter to your fairness and hope you can pay at least $2.00 for it. I also have some $5 of 1834 one in very good condition. If you can use them will send them on

will be glad to have the
advance sheets of your
coming sale although
I do not expect to purchase

Yours truly
